

## NEWS RELEASE

October 23, 2017  
For Immediate Release

### **KUB to Host Public Meeting for Depot Avenue Area Water Transmission Line Project**

KUB will host a public meeting Monday, October 30, starting at 6 p.m. at Central United Methodist Church/Fellowship Hall, 201 Third Avenue, to discuss an upcoming Century II 36-inch water transmission line project scheduled to begin this fall in the Blackstock Avenue, W. Fifth Avenue, W. Depot Avenue, Patton Street, and E. Summit Hill Drive areas.

The public meeting will start with a brief presentation outlining the scope of the project and the construction process. Following the presentation, KUB representatives will be available to talk with customers one-on-one regarding their specific questions.

Construction will start in November 2017, with overall completion scheduled for May 2019.

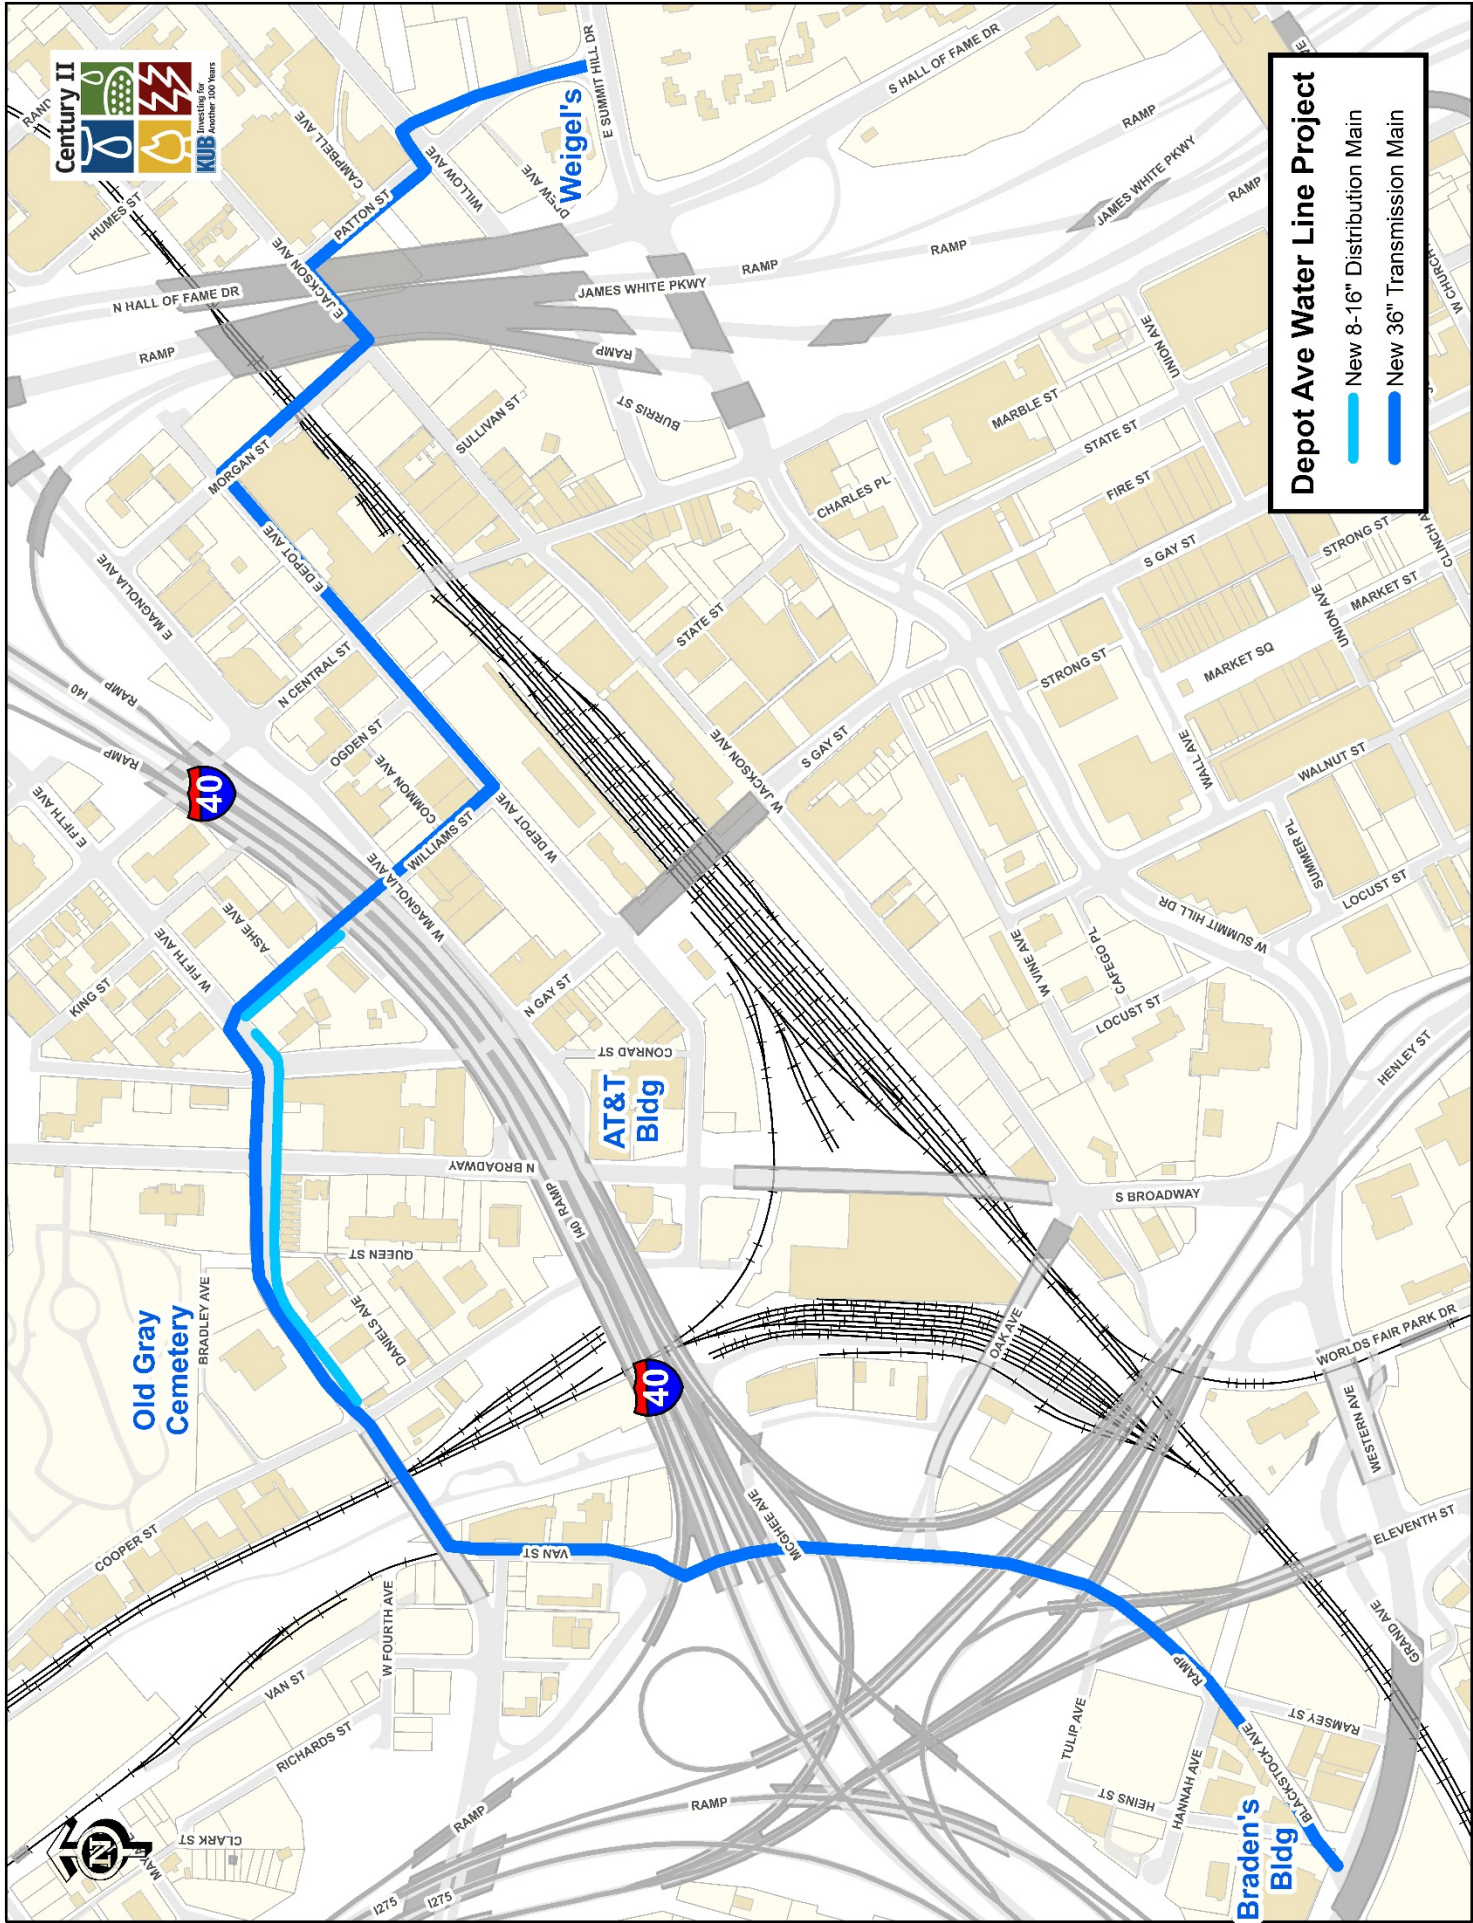

Century II is KUB's proactive long-range program to improve and maintain the electric, natural gas, water, and wastewater systems for our customers.

Additional information about this and other KUB utility construction projects is available at [www.kub.org](http://www.kub.org). Updates will also be posted on a major construction projects blog site at <http://kubmajorprojects.blogspot.com/>, and on KUB's Facebook and Twitter social media accounts. Customers can call 558-2331 at any time for information on this project. If the call is made after normal business hours, customers can leave a recorded message that will be responded to by the next business day.

KUB, a municipal utility serving Knox and parts of seven adjacent counties, provides reliable electric, gas, water, and wastewater services to more than 453,000 customers.

Map attached.
